Parental Permission

As parent/guardian to the applicant above, I am aware of his/her commitment to participate in the ZION choir program. I have read the “ZION Information Sheet” and “Frequently Asked Questions and Answers About ZION” and discussed participation with my child. I realize that participation in a program of this nature may not be appropriate for every worthy young man or young woman and have discussed this with my spouse and/or other family members, as appropriate. I agree to support my child in all the “Participation Requirements” identified in the information sheet.

If I become aware that the applicant is ineligible to participate for any reason, I will contact the director so that the welfare of the youth and others can be discussed and action taken, if appropriate.
